

**SOUR
KUSH**

The image features the words "SOUR" and "KUSH" stacked vertically in a bold, graffiti-style font. The letters are filled with a vibrant yellow-green color and outlined in black. The text is surrounded by numerous black ink splatters and drips, giving it a dynamic and edgy appearance. The overall style is reminiscent of street art or hip-hop culture.

**SOUR
KUSH**

The image features the words "SOUR" and "KUSH" stacked vertically in a bold, white, hand-drawn font. The letters are thick and blocky, with irregular, jagged edges that give them a graffiti-like appearance. The text is set against a solid black background. Surrounding the letters are numerous black ink splatters and drips of varying sizes and directions, creating a sense of movement and energy. The overall style is reminiscent of street art or a punk aesthetic.
